EDUCATION

Northeastern University — Boston, MA

Sep. 2022 – Present

Khoury College of Computer Science

May 2026

Candidate for Bachelor of Science in Computer Science

GPA: 3.17/4.0

Coursework Object-Oriented Design, Algorithms and Data, Introduction to Cybersecurity, Computer Systems
Involvement Women In Tech, Downhillers, Girl Gains, Women's Running Club, Poker Club

TECHNICAL SKILLS

Programming Languages Java, HTML/CSS, Swift, JavaScript, LaTeX, C/C++
Developer Tools VSCode, IntelliJ, Eclipse, XCode, Figma, Notion, Git
Frameworks Astro, React

PROJECTS

Personal Website | *HTML/CSS, Astro, Figma*

Dec 2023 – Present

- Prototype a personal website portfolio using Figma and constructing the website's base using HTML/CSS
- Implement the Astro framework to reduce Javascript overhead and create a faster loading website containing frequently updated projects and other related content

Snipe | *Figma, Swift, XCode*

Nov 2023 – Present

- Create a game encouraging friends to take the best photos of each other with a voting incentive each week
- Design the app with Figma that includes a color palette, text formatting, and an interactive prototype
- Develop an IOS application containing camera and social features as well as a database to store photos taken through the app using Swift in XCode

Solitaire | *Java*

Sep. 2023 – Oct. 2023

- Utilized the Model, View, and Controller method to create Klondike Solitaire
- Upgraded the game by implementing different game modes (limited draw and whitehead), providing the score, checking if there were any possible moves left, and creating a text-based GUI
- Implemented tests to ensure different components worked properly

EXPERIENCE

Bury the Hatchet

Dec. 2021 – Aug. 2022

Axe Master

Philadelphia, PA

- Fostered a safe and fun environment for customers to throw axes with games and safety precautions
- Guided new axe throwers on proper form through demonstration and critique
- Restored lanes after use and replaced hand-made targets when needed to maintain a clean workplace

Lower Moreland High School

Sep. 2019 – Nov. 2021

Mini-THON Tech Captain

Huntingdon Valley, PA

- Set up video and audio technologies to generate an exciting atmosphere and educated volunteers to do so efficiently
- Frequently updated the LMHS Mini-THON website with news, photos, videos, and sponsors to keep the community up to date
- Raised over \$300k for pediatric cancer patients and research by hosting fundraisers
- Increased awareness for pediatric cancer by facilitating events for the community

Mr. Wish

Mar. 2021 – Aug. 2021

Barista

Abington, PA

- Coordinated with other staff members to fulfill orders and restock ingredients to keep up with the fast-paced environment while keeping workstations clean
- Recommended items on the menu based on the customer's preference
- Memorized over 50 drink recipes to make 200-300 drinks per day efficiently
